

Registration for the optional Kentucky Alternate Portfolio Fall development training is now open for registration. While this is optional, teachers who are new to the development of alternate portfolios are strongly encouraged to attend. The training will focus heavily on instructional strategies that will produce quality evidence for the portfolio with a smaller portion spent on requirements. All materials will be placed on the web prior to trainings. **Registration is required so that we can plan for adequate seating and materials.** Please have teachers register for the training date and location that they plan to attend and have them select a first and second choice of date/location. They can register on the KAP website, www.ihdi.uky.edu/kap . Following is a list of dates and location with information on what to bring.

Time: 9:00 – 3:00

Location:

- ☐ Sept.6, 2005 Somerset, KY at the Center for Rural Development
- ☐ Sept. 7, 2005 Hazard, KY at Hazard Community and Technical College
- ☐ Sept. 8, 2005 Olive Hill, KY at Carter Caves State Park

- ☐ Sept. 20, 2005 Lexington, KY at the Springs Inn
- ☐ Sept. 21, 2005 Burlington, KY at the Boone County Cooperative Extension

Bring: paper and pencil; money for lunch or a packed lunch

Beverages: coffee and soft drinks will be provided

Lunch: will be on your own, however at the Carter Caves State Park location there are no restaurants other than the lodge nearby, so we have arranged for you to order lunch from the facility the day of the meeting, or you can bring your own lunch.

Special accommodations: There is a place on the registration page for teachers to list any special accommodations that they may have.
